Dear Sir:

Received a letter of intent to terminate most of the passenger and freight service by 40-Mile Air, Ltd. at Tok, Alaska to the community of Chisana, Alaska.

Am not sure to whom I should object but they sent you a copy, therefore my letter to you.

Own 18½ acres in Chisana and have 18 buildings there. Since my husband retired from guiding, have started a Bed and Breakfast there. Clients fly in on their own but I have to use 40-Mile for freight, groceries, some help and myself to go back and forth from Tok to Chisana. We sold our airplane, my husband passed away and there is no other feasible way to operate my business.

This letter represents my objection to the termination.

A handwritten signature in cursive script that reads "Gloria J. McNutt".
